

Benefiting Your Employees... Benefiting Your Business!

Running a business is an exhilarating and rewarding task. It can also be overwhelming. Many decisions must be made with more information, more demands, and less time.

Here is a time-saver that will make everyone happy...

Health Facilities Federal Credit Union's Select Employer Group Program

It is crucial to attract and retain quality employees. Now you can enhance your benefits package with Health Facilities Federal Credit Union membership and give your employees a financial institution that they can believe in. It costs your business nothing to partner with us; meanwhile, your employees and their families have a lifelong financial partner in us.

We are here to assist with every important financial step you employees will make in their lives, from buying a car, or a home, to saving for retirement and everything in between. And you can take all of the credit...after all; *you* are the smart employer who provided your employees the benefit of credit union membership.
